### Local News

#### Our Sick:

**Wayne Milner** had eyelid surgery last week and was having a lot of pain and swelling.

#### Travelers:

**Dawn and the kids** arrived in Mississippi safely yesterday and are enjoying time with Stephan before he ships out to Afghanistan.

*It is as we come to the Lord in our nothingness, our powerlessness, our helplessness that He then enables us to love in a way which would be absolutely impossible without Him.*  
*Elisabeth Elliot*

**We had another successful Adopt-A-Street work-day yesterday but we were unable to fit this into our trash bag! It was actually on the next street over. It was the end of a police chase. Thanks, Martha, for the yummy breakfast!**

There will be lunch following this morning's worship. Immediately after lunch we will have our afternoon service. Then we will be having a baby shower for Madison. Stay and enjoy the day with us!
